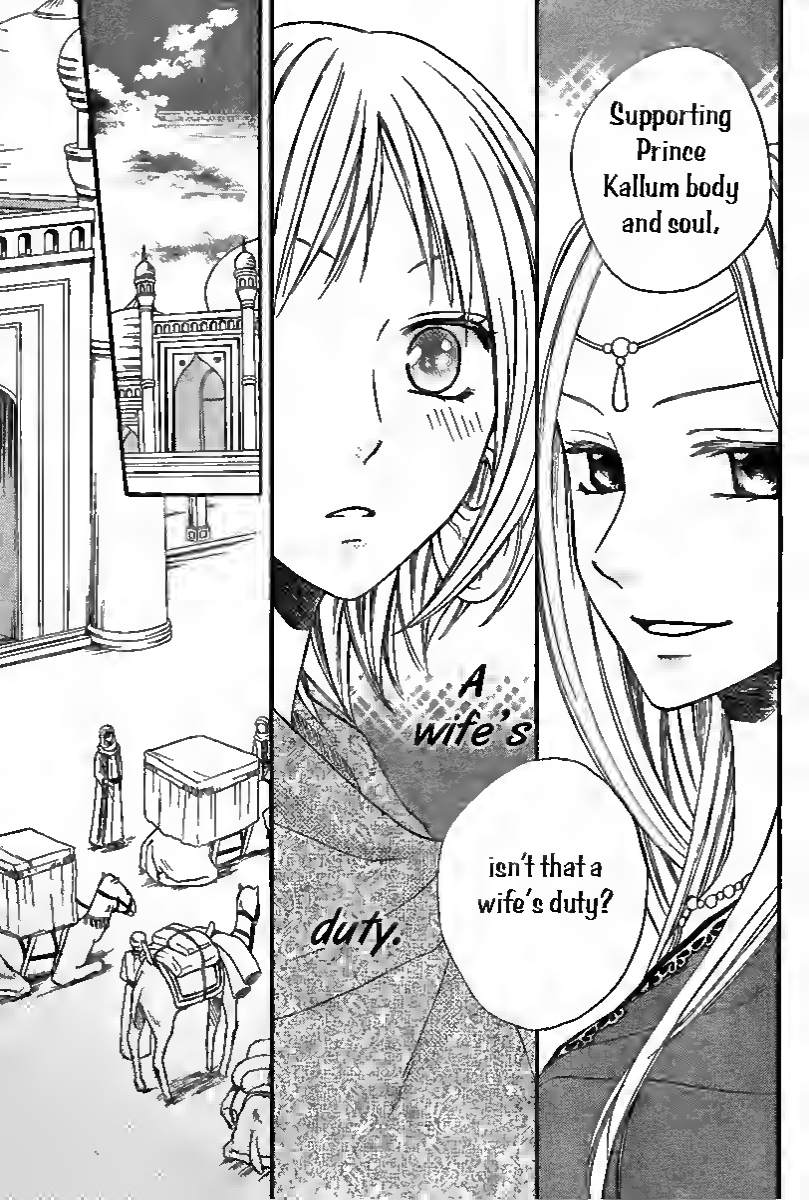
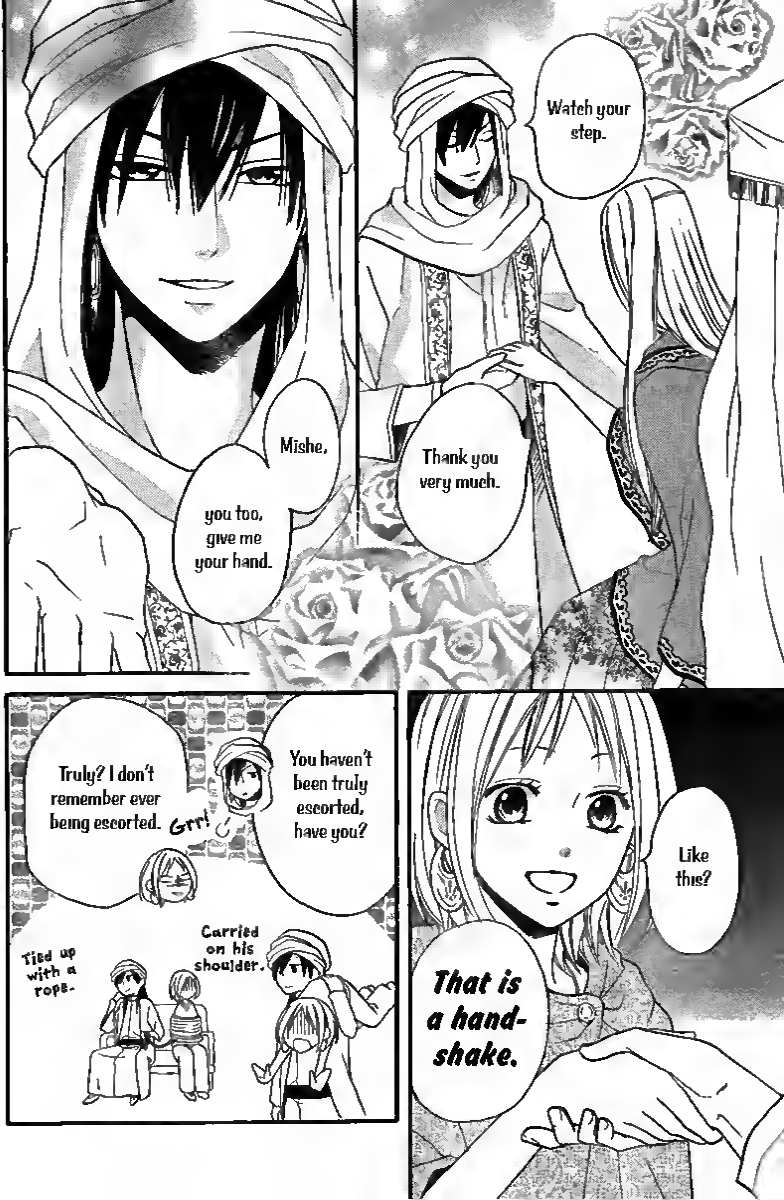
Come on; hurry up.
We're leaving.
Uh, yes.
!
...So,
why am I the only one trembling...?
Well, I was also astonished.
My goodness, being trapped under a rock slide?
No, that's not what I'm talking about.

Umm ---
I wonder if you were jealous...
I wonder ---
There's the fact that you were with him, but
lovesickness and jealousy
are many of the burdens
our already burdened master shoulders sometimes.
The royal family is working for our and the country's sake.
They must maintain composure
and not be swayed by their emotions.



Supporting Prince Kallum body and soul.
A wife's
duty.
isn't that a wife's duty?



Watch your step.
Thank you very much.
Mishe,
you too, give me your hand.
Like this?
That is a hand-shake.
You haven't been truly escorted, have you?
Truly? I don't remember ever being escorted.
Grr!
Carried on his shoulder.
Tied up with a rope.

I, myself, will teach you until you learn.
First, entwine your fingers and lean towards me with your body.
YOU DEFINITELY DON'T INTEND TO TEACH.
I DON'T NEED YOUR LESSONS! I CAN TEACH MYSELF....
MFF!
Uh, I mustn't lose my cool
...That's right.
Heh!
slip
Well then,
Heh!
Don't worry. I'll teach myself.
You don't have to burden yourself with it.
DID SOMETHING HAPPEN?

No, nothing. I'm the same as usual.
Well then, I'll take my leave
and you rest, Prince Kallum.
Push...
!
Did you say something to her?
I didn't say anything in particular.
"Lovesickness and jealousy are burdens our master shoulders."
TO BE HONEST,

Master, shouldering the burden of the flesh.
I'm the complete opposite of dependable Ms. Corelle.
SLAP!
SHOVE
I WAS GOING TO BEHAVE LIKE THIS.
IN ORDER TO BECOME PRINCE KALLUM'S LEGAL WIFE,
I HAVE TO LEARN TO BE COMPOSED.
May I help you with something?
Can you take this?
It's frustrating, but
USING MS. CORELLE AS A MODEL,
I'M SURE I'LL MAINTAIN MY COMPOSURE.
Something strange is going on with Mishe.

I asked and she said that nothing was the matter.
Corelle probably said something to her.
...Is there something afoot?
Who can say?
Either way,
I should sound out Mishe.
NOK NOK
It's Mishe.
I've brought you something to drink.
Enter.
Pardon me...
...Oh?
You're bringing work into the inner palace?
Yeah,
it's the work I missed the two days we were out.

Are you uncomfortable?
This is no good.
You're a little stiff.

Then get off...

you're getting close to me
and you're being cuter.
SMILE
Something did happen right?
Today
Heh!
I CAN'T TAKE IT
I'm the same as usual.
Ah ha ha
WHY IS HE SO PERCEPTIVE?
I SHOULD DODGE HIM AND RUN AWAY.
Gasp!
Gulp!
I CAN'T RUN AWAY WITH HIM LIKE THIS.

If you're the same as usual,
Uh!
then you will sense that you are in danger
and you'll begin to resist soon.
Since you're not resisting,
I wonder if that means you don't mind.

A letter addressed to Corelle
from her home country...
I'll give it to her.

I withstood wanting to push you away,
and somehow I was doing well, but
But when I was,
She said I needed to be composed
in order to support you.
BUT I CAN TOLERATE THIS WHEN IT'S DIRECTED TOWARD ME
when I saw the two of you together,
things got a little hazy...

Jealousy?
You're so adorable.
...That behavior was you burning with jealousy?
Heh!
Love ...?!
Well, it seems that I am loved.
